

ALISON BELL

Alison Bell is a broadcast journalist / presenter / producer, with over 20 years experience in the media industry. She has specialised in radio and television and has anchored prime time news programmes from the UK on CNN International, Sky News, ITN and more. Alison has presented the Weekend News programme on BBC Radio 5 Live and currently has her own radio show on London talk station LBC.

Alison has also facilitated media training courses for the past 6 years and has collaborated with a number of the world's leading PR Companies and their clients. She has trained Senior Politicians, Ministers, Princesses, Ambassadors, CEO's, businesspeople and more - and she specialises in tailor-making courses to suit individual requirements.

Alison is also a frequent chairperson and guest speaker at international conferences
